PAYSON SPORTS SHOE PROGRAM

The Payson United Methodist Church has developed a sports shoe ministry to provide free soccer shoes, shin guards and baseball shoes for girls and boys through Middle School ages. In order for the program to have a supply of shoes for our young athletes, we ask that you consider donating outgrown shoes that are no longer in use. It is not required for you to donate your shoes in order to receive a pair. We clean and disinfect the donated shoes so they can be available for another child. Thanks to monetary donations from the community, new shoes are also available to our youth.

Please consider donating outgrown shoes as soon as they are no longer used to ensure that we have time to properly clean each pair. Our goal is to provide shoes before practices begin.

For information, please call Tom Herbolsheimer at 928-970-0160, from 9AM – 5PM, or call the church office at 928-474-0485, from 9AM – 12PM, Monday through Friday.

YOUTH RECREATION SCHOLARSHIPS

All children within our community should have the chance to engage in sports and recreational activities, irrespective of the associated costs. This is where the Friends of Payson Parks and Recreation steps in, providing scholarships to facilitate the involvement of children in these programs.

If you are in need of a scholarship for your child, please reach out to the Payson Parks and Recreation department when registering your child. We are happy to assist in getting your child in our program.

For information, please call Payson Parks and Recreation at 928-472-5110 or stop by at 1000 W. Country Club Dr., Payson, AZ 85541.

BJ BOLLIER

VOLUNTEER OF THE YEAR AWARD - APRA WINNER

VIEW BJ'S AWARD CELEBRATION VIDEO BY SCANNING THE QR CODE

We are thrilled to announce that BJ Bollier has won the Volunteer of the Year Award through the Arizona Parks and Recreation Association (APRA)! BJ is our most requested coach season after season, and our community is incredibly grateful for his passion and dedication to the youth. His impact is undeniable, and we are proud to have him as a key part of our team.

We shared this exciting news at our Parks and Recreation Commission meeting in August, and BJ was able to attend the APRA Awards banquet in Tucson to receive his well-deserved honor.

BJ expressed his heartfelt gratitude, saying: "I cannot thank you all enough for the opportunities you've given me. This is my life, my town. It means the world to give back through coaching, volunteerism, and mentorship—alongside all of you at these great events. I believe in this town, this department, and you all. I will continue to further my commitment to the place I love."

We are truly fortunate to have BJ in our Parks and Recreation family and look forward to many more seasons of his leadership and dedication.

THANK YOU FROM OUR PARKS AND RECREATION TEAM

FACILITY OF THE YEAR
AWARD - APRA WINNER

VIEW MUSTANG PARKS FACILITY OF THE YEAR AWARD VIDEO BY SCANNING THE QR CODE

Mustang Park (Blue Park) was originally built in 1995, but had fallen into disrepair in recent years. The Town decided to close the park in Spring of 2022 and remove all the old equipment. However, the community was vocal about the frustration of losing this park. After gaining Council approval, the Payson Parks & Recreation team went into overdrive to gather community feedback and quickly complete a renovation project. The park was rebuilt and opened again on August 20th, 2023! We just celebrated our one year anniversary of the park re-opening!!!

PARKS OPERATION TEAM

The Parks Operations crew is the backbone of the community, working tirelessly to maintain and enhance every park, event, and public space. From caring for the grass at Green Valley Park and maintaining the ball diamonds at Rumsey Park, to setting up for events and quietly dismantling everything afterward, their dedication is evident in every detail. They also manage the upkeep of Demming Park, Mustang Park, the Payson Event Center, assist with maintenance at Town Hall, and support the Visitors Center, ensuring that every corner of the town is pristine and welcoming. Their work is essential, yet often goes unnoticed, as the small crew consistently deliver excellence without seeking recognition.
